## Concept Note

---

### **Background:**

This Local Validation Workshop in Kharkiv is organized by UNECE in the framework of project “Building urban economic resilience during and after COVID-19” with participation of representatives of the UN Resident Coordinators Office in Ukraine, the City Government of Kharkiv, private sector, and academia. It will serve to present the findings and recommendations of the “Diagnostic and Planning Tool Report” for the city of Kharkiv and validate that document with all the relevant stakeholders.

More specifically the main objectives of the workshop include:

- (i) To present the findings and recommendations of “Diagnostic and planning tool report”;
- (ii) To validate the findings and recommendations of the “Diagnostic and planning tool report” with all relevant stakeholders in the city of Kharkiv;
- (iii) To facilitate a discussion on the actions needed to overcome the socio-economic impacts of the COVID-19 crisis in the city of Kharkiv;
- (iv) To introduce the “Economic Resilience Building Plans” and the next step of the project;
